

**AUG 14-19, 2023**

You are signed up for **Rock N Water** and we're so excited for the trip this summer! It's going to be so incredibly fun, now you need some details and more information!

***YOU WON'T REGRET COMING!***

We will be leaving early on Monday morning (think 6:00 am-ish) so we want to have all of our stuff packed and ready to roll the day before. Gear drop off will be between 1:00-3:00 at Mitch's house (4575 SE Danica Ct.) **on SUNDAY Aug. 13<sup>th</sup>**. At this time Mitch will confirm the exact time that we're leaving the next morning.

**Cell phones and electronics:**

One of the great things about this camp is that these are completely unnecessary, so we all get to take a little vacation from our devices! We don't have anywhere we can lock them up, and you don't want them to be broke, lost, stolen or dropped in the river. So, we ask you to not even bring them with you. Service is very spotty there anyway! In an emergency, parents can contact Mitch & he'll check the messages every night. OR if there is something more pressing you can call the camp directly at: (530) 621-3918.

**Paperwork and Final Payment:**

You will find the packing list, along with all release form info (1 for Rock n Water & 1 for LJCC) that you will need to fill out. Please fill out these release forms **by AUGUST 7** and bring your final balance (if any) **on Aug. 13** when you drop off your gear.

**For Rock N Water** use our custom CampDoc link to log in and complete your Release Form. It is important that you use this specific link *each time* you enter to ensure you register for the correct trip. When your profile is 100% complete you will receive an email confirmation. CampDocs can be a bit finicky, so it is best to fill out your registration all at once to ensure nothing is missed and that you are still within the correct trip. You will want to *copy and paste* the following link into a new tab. (If you just click on it, it will not send you to the right page):

**Life Journey Community CampDoc Link:**

**LJCC Release Form**

**PACKING LIST**

**Food on the way down and back:**

All meals on the way down and back are **NOT INCLUDED** in the cost of camp. So, you'll either want to bring some food with you (you could do this on the way down) or some additional money for food. If you have additional questions or concerns about this, please talk with a leader.

### **ADDITIONAL ON CAMP**

1. Let us know if there are any food allergy or other issues, we should be aware of. We'll need to plan accordingly and let the camp know in advance.
2. Feel free to bring cards or other board style games to play on. The long drive is part of the adventure, it's a great time for kids to hang out, laugh and talk (I know, crazy).

That is the basic information. Thank you for entrusting your child to us during this week. We want to have fun, but we also take safety very seriously. If you have any other questions regarding anything, please feel free to call or talk to a leader. We anticipate this being a great time and experience for your son!
